

Coming up on the

HORIZON

SCHOOL OF MUSIC

The Collaboration Lab

1st Wednesday of every month

Step into a one-of-a-kind music experience where you'll be teamed up with other musicians to form a "mini-band" for the night. Work together to learn a song, then perform it for the group. Perfect for anyone who wants to grow their skills, meet new people & share music in a fun, supportive environment.

TIM PARENT'S UNCHARTED

**Learn to feel & play
improvised music with Tim!**

Want to get better at jamming? Feeling stuck on your instrument and don't know what to practice? Want to gain more confidence soloing and improvising? Wonder why the way you play your favourite song doesn't sound the same as the recording?

This class has a heavy emphasis on PLAYING and LISTENING. There is no shortcut to achieving the next level of your playing, you have to put in the time. Overcome your fear of playing with strangers, this jam night is intended to inspire and connect you with your instrument in ways you never imagined!
